

Welcome at the Emanuelle Stars Club

Discover the new generation of a fancy nightlife entertainment with the Emanuelle Stars Club, THE dynamical and fancy event organisation!

We do not “try to realise”, we just DO realise!

...because we want to have more than satisfied clients.

Often, the little things make our everyday-life hard. We give you a hand: We consider your wishes as the most important aspect of our work and therefore totally orientate our performance and services to your ideas. Because of this, a friendly and respectfull cooperation is guaranteed!

The flamboyant and special thing makes the difference!

Due to an excess and surplus of events, people often do not know, where to go. Therefore, we consider it very important to cooperate with you: all performances, decoration (if you should wish any) and advertising will fit in with the chosen town, location, and - last but not least - your very special wishes. Remember: only an extraordinary event will be kept in mind!

To know what´s what through transparency/knowledge through transparency

The Emanuelle Stars Club was founded in Wuppertal, Germany, in 1999. The idea was to organise erotical and glamorous events. We know, that the people want to be spoilt. Our way of spoiling the clients not only comprises great music and light, but also culinary finesses which we offer our guests.

Of course, we do not offer only this kind of events. Due to our numerous performances in Germany and abroad, we have an excellent knowledge of what kind of shows and performances can be realised... We would like to inform you about all the many possibilities in a personal, not binding conversation!

Furthermore, we cooperate with different agencies, so that we always know, what´s “in”. Apart from that, The Emanuelle Stars Club has got an own recording studio – The Guard Studio -, where mainly the Emanuelle Stars CDs are mixed and recorded.
